

SUGGESTED EMAIL DRAFT TO NH HOUSE MEMBERS:

Dear Representative _____:

{Introduction – who you are, your business, how long you have been in the industry, short description of your role, personal connections to New Hampshire, you are a member of the New Hampshire Self Storage Association, etc.}

I write to ask you to vote **YES** on SB192. Although business has changed significantly in the twenty years since the law was passed, the state lien law has largely remained the same. If passed, SB192 would allow my business to adopt modern practices, such as sending notices by email and conducting sales online, that are preferred by my customers. Importantly, SB192 also protects consumers by enhancing the disclosures made in the rental agreement – many of which my business already provides.

Again, I respectfully request your support for SB192. Thank you for your consideration. I welcome the opportunity to answer any questions you may have.

Sincerely,
